---

[Blanc-Sablon, October 24, 2023] - The Centre de services scolaire du Littoral (CSSL) is proud to announce the official launch of its brand new [Commitment-to-Success Plan 2023-2027](#). This plan reflects the school service centre's ongoing commitment to perseverance and success for both students and staff members.

Our *Commitment-to-Success Plan 2023-2027* acknowledges the particularities and challenges of our school service centre. It reinforces our mission to provide quality education to prepare today's students to succeed in tomorrow's world. Also, our plan is based on the key values of engagement, collaboration and innovation.

We have developed this plan through the consultation and involvement of all members of the school community. Our aim is to consolidate our relationship with them and create a positive impact on the entire territory we serve.

Therefore, we invite all stakeholders to join this transformative initiative and actively participate in the realization of our plan.
