

Budgetary Report

| Year | Annual Budget | Expenses | Description |
|-----------|---------------|-------------|------------------------------------------------------|
| 2020-2021 | \$3,000 | \$418 | Training session with the FCPQ for the SNAC members. |
| 2021-2022 | \$3,500 | No expenses | |
| 2022-2023 | \$5,000 | \$418,36 | Training session with the FCPQ for the SNAC members. |
| 2023-2024 | \$1,000 | | Surplus available if needed. |

**The associated budgets for the Special Needs Advisory Committee are primarily dedicated to the operations of the committee.*

Suggested expenses:

Any suggestions from parents are welcome and will be discussed at future SNAC meetings.

Expenses envisaged for 2023-2024:

The FCPQ offers free training sessions in the form of webinars, in French only. Translations tools are available with Zoom. The schedule is pre-established. This training opportunities are shared to the president of the Parents' Committee who can forward them to the CSSL via article 193.0.1, which will forward them to the parents.

Training sessions scheduled for November 2023:

1. Giftedness
2. Communicating With Your Teen

The FCPQ can also provide customized training (à la carte) on a personalized subject at a cost of \$300, regardless of the number of participants.

Institut des troubles d'apprentissage: waiting for a response for more information on Autism.

Partnership with CISSS for training on autism: also awaiting feedback.
